Filastrocca delle buone maestre

Maestra, insegnami il fiore ed il frutto.

Col tempo, ti insegnerò tutto.

Insegnami fino al profondo dei mari.

Ti insegno fin dove tu impari.

Insegnami il cielo, più su che si può.

Ti insegno fin dove io so.

E dove non sai? Da lì andiamo insieme.

Maestra e scolaro, un albero e un seme.

Insegno ed imparo, insieme perché

io insegno se imparo con te.

Con affetto dalle vostre maestre

A close-up, slightly blurred photograph of a large crowd of people. Many hands are raised in the air, some with fingers spread, suggesting a moment of collective excitement or celebration. The background is out of focus, showing more people and what appears to be an outdoor event setting. The overall atmosphere is one of joy and energy.

A presto!!!
